KEEPING US UPDATED

In order for us to keep the information we hold about you up to date, when you are next in the surgery please ensure we have your correct address, telephone number and mobile telephone number if applicable. Thank you.

LIZ MORGAN

After eight years with the surgery, Liz will be leaving the Administration Team just before Christmas. Liz initially joined the Reception Team and after a couple of years, moved into administration in the role of Scanning Clerk. Liz is looking forward to spending some extra quality time with her family, friends and dog and will be strongly missed by all her work colleagues and friends at The Galletly. Farewell and good luck Liz!

The new 111 service

BOURNE GALLETLY WEBSITE

Why not check out some of our online services which include:

Electronic Health Record (EHR) - this is a service which allows you to view your medical record using a personal computer (PC) and the internet. The system is a website that allows you to view your medical record over the internet from a PC. It allows you to easily and quickly view the electronic medical information held about you by the surgery. The information is presented to you in a format that is easy to navigate and offers you links to resources such as patient information leaflets about diseases, tests, investigations, support groups and medications etc. There are also links to websites such as NHS Direct Online and Patient.co.uk where you can find additional information to help you understand and educate yourself about what you read in your health record. Before you can begin using the Online Electronic Health Record (EHR) viewing system we require you to register and consent to use the system. *Full details on our website—www.galletly.co.uk*

Before you can access any of our online services you must register for them.

MOVEMBER 2012

Congratulations to the Galletly Team 'Mo Bros' (from left to right):

**Dr Ian Pace
Dr Antony Wright
Dr Colin Burr
Dr Paul Cregor**

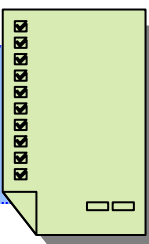

What a superb effort these four 'Mo Bros' made; I'm sure if you had been into the surgery during the month of 'Movember' (November), you will have noticed some decidedly 'hairy' faces who, in the process of '**changing the face of men's health**', have raised an incredible **circa £1,300**.

A huge thank you to all patients, staff and friends for sponsoring these 'hairy' individuals, who we are sure have an early date with the razor on Friday 30 November!!

For more information on this very worthy cause, please go to www.uk.movember.com.
